Punith 3.0 out of 5 stars The one which I got was not showing proper Info. Completely satisfied with the purchase. Very convenient n easy to use. You can do almost everything with the provided set of tools. Hung so many of my artworks on walls with this.

Capacity in Metal 8 mm Max. Capacity in Concrete 10 mm Max. Capacity in Masonry 10 mm Dont think much. It is quite okay if you dont want to do heavy duty drilling. This works fine with light drilling around your house on surfaces such as bricks, normal plaster, wood etc. But this does not work on solid concrete. If you are going to drill on solid concrete then go for some heavy duty drill. GSB 10RE is not for concrete Bosch is always for quality and precision. One star less as the wrong description in the amazon product details pertaining to the usage of drill bits. Found that the silver color bits are for the wall and black ones for the metal and other one is for the wood. Initially tried and disappointed and thought of returning before my plumber found and corrected. The motor itself is not powerful, getting heated up quickly. I was using a 1000 Rs machine purchased locally for almost 5 years without problem. The quality of Bosch is not good. Better buy some other brand And in service Center they are telling that they cant take it in service because of online purchase at Gorakhpur up Only one time used. Only one time used. Second time it is not working. Kindly suggest me next course of action. It has 6 angle settings for a wide working range. Clear tall grass, weeds, and heavy brush with ease! We will also use the information to send you more targeted information regarding new products relevant to your specific trade as well as Makita sponsored events in your area. We will share this information with the thirdparty vendor we use to disseminate our email newsletter but will not otherwise share it with or sell it to thirdparties. BOSCH Hammer Drills HC2061 Carr ying Case. Included Carr ying Case. BOSCH Carr ying Case Included Carr ying Case Included HS2163 Hammer Hauler Car t. T1657 Break er Hammers With a DoubleLength spade, Bosc h has considerably ext ended the ser vice life of the spade c hisel. The material remov al rate has also been signicantly increased.

The chisel is selfsharpening due t o the at shape of its spade, meaning no downtime from timeconsuming and tedious r esharpening of the chisel. With each beat of the hammer, energy is dispersed. Our new R T ec reflection element reflects the hammer's energy back into the work material, increasing the rate of remo val by 15%. And the R T ec chisel featur es a unique cutting head with extra wedges f or increased break out. The reflec tion element refle cts the energy of the return shock and converts it into new impact energy. Innovative Reflection Element Increases material remo val rate by up to 15%. Removal rat e of star pointed chisels remains constantly high ov er entire ser vice life. This sa ves downtime and eliminates service costs caused by timeconsuming resharpener. 30% Higher Remo val Rate.
